

Purpose

The purpose of a course sales page is to provide your customers with access to an existing page you already host. If needed, we can build out a mini sales page on the site with the graphics and copy that we have, however we would need you to provide us with the price for the product and create an order form in Infusionsoft. Once the form is created, please send us the link.

Course Sales Existing Page

Would you like to link out to an existing sales page you already host?

What is the link to the sales page?

Course Mini- Sales Page

Would you like us to build a mini-sales page?

What copy would you like to include on the mini-sales page?

How are the product(s)/membership sold and for what amount?

Please provide the order form link(s).
