

Course Images

Each course we add to your site needs its own set of graphics. Here examples of the graphics we need for your course:

Course Images
Two product images on your membership site home page.

Email Header
Used for the welcome and accountability emails.

Course Achievement Images
Digital badges for use on the membership site, that indicate a quiz has been completed for each lesson in the program

Course Certification Badge
Global 24/7 digital badge to show the world. Achieved after they pass the final certification.

Certificate of Completion
High Quality Printable Diploma/Certificate. Achieved after member passes the final certification.
