Invite you to the closed LinkedIn engagement pod

I'm a part of a nice LinkedIn Engagement Pod, the place where you share your LinkedIn posts and get likes/comments from other LinkedIn content makers.

As a result, I can increase my LinkedIn post views by 3x-5x times!

Hope you will also join it:

1. Install lempod here - <https://ilya.today/lempod-for-linkedin>
2. Join a pod with this Secret Code: "6068"

Thanks!
